To Whom it May Concern:

Richard Peters has worked at CVS Health as a Sales Associate since June 2023. He is a dependable and dedicated individual that I would highly recommend.

Richard's duties included greeting customers, providing exceptional customer service, cashier duties such as handling cash, checks and credit card transactions, maintaining the sales floor, restocking shelves, updating pricing, inventory tasks and supporting the photo department.

Richard has embraced our Loyalty Program and has been recognized as a standout for our Heart At Work Behaviors. Richard has a great rapport with customers and colleagues and makes sure that everyone feels welcomed and valued.

It has been a pleasure to have Richard on our team and I have no doubt that he will bring the same level of excellence and dedication to your business and make a significant impact on its success!

Sincerely,

Rachel Lyons
